Could you be our next Foundation Governor?

Are you looking for a way to live out your faith and serve your local community at the same time?

If so, becoming a Foundation Governor could be just the thing for you. Bishop Patrick McKinney is seeking to appoint new foundation governors to our diocesan schools. Foundation governors play a vital role in maintaining and developing the Catholic character of our schools.

To find out more, please join the 'Calling Foundation Governors' virtual event, designed to provide information about the role of a foundation governor, the application process and the support offered. This takes place on **Wednesday 22nd June, between 7.00pm and 8.30pm via MS Teams**. To reserve your place, contact Julie Sweeney: julie.sweeney@nottingham-des.org.uk

Word of the Week

Next week our Word of the Week is **Knowledge** which will form the basis of our acts of collective worship throughout

knowledge

Holy Mass

Our Year 2 children celebrated a beautiful Mass on Wednesday with Fr. **Marc**. It was lovely to see so many parents and grandparents able to share the celebration.

Next week, Mass will be celebrated on Wednesday at 9.30am with **Year 1**. As ever, families and parishioners are most welcome to join us in Church.

Summer Fayre

On Friday 1st July, we will be holding our Summer Fayre on the school field. In preparation for this, next Friday will be a non-uniform day in exchange for a bottle for the Bottle Stall.

SPA have also asked for your generosity in providing us with donations. This could include any unwanted bric-a-brac (used items) into school, or if you have any unwanted new items that could be used for raffle prizes. Please bring any items to school by Wednesday 29th June, marked for the attention of SPA.

If you run a business and would like to run a stall, please let us know and we'll pass this on to SPA. If you are also able to give up some of your time to volunteer to run stalls, again please let us know. Thank you in advance for your help and support.

NSPCC Net Aware

I've shared this website before but feel that it's worth sharing again: <https://www.net-aware.org.uk/>.

This site is an excellent tool to check the safety of popular apps, games and social media sites, which your child may ask to use or may even be already using. It will provide you with a 'safety rating' based on safety features, privacy and location, reporting and blocking, and content.

I highly recommend this website in order to learn more about the apps, games and social media sites your child may be accessing as this will ultimately help keep your child safe when online.
