## Sports Day

It has been amazing to welcome families back to celebrate Sports Day this week. The children were really spurred on and encouraged by your attendance. It was great to see you all. Well done to all of children for taking part, our Year 5 and 6 helpers and to school staff for organising the events.

## Extreme Temperatures

I'm sure you're already aware that weather forecasters are predicting temperatures in excess of 35°C on Monday and Tuesday next week. To help our children to be as comfortable as possible, we have made the decision to allow everyone to attend school in their PE kits on Monday and Tuesday even if they do not have PE. Obviously, given such high temperatures, we will limit the amount of time children spend outdoors and will ventilate classrooms as much as possible. Please ensure your child comes to school with a hat, sun cream and a water bottle. We also recommend that every child has sun cream applied at home each morning. We will continue to monitor forecasts and will inform you of any further adaptations that may be needed for later in the week.

## The Parish needs You!

On Monday 18th July, there is a meeting for Catechists from the Mansfield Pastoral Area in St. Philip Neri Church Hall at 7pm. The Parish would welcome anyone interested in helping with any of the programmes - Children's Liturgy; First Communion - to come along and see if they feel they would like to be involved. Thank you in advance.

## Summer Fayre

Thank you so much for your generosity at our recent Summer Fayre. Counting has taken place; SPA raised just over £1000. Huge thanks to all that helped make the afternoon a success.

## End of Year Reports

Please be reminded that your child will receive their End of Year Report before the end of next week.

## ECO Competition Winner

Huge congratulations to Blake whose eco-friendly masterpiece was selected as the winner of our recent Severn Trent Water ECO competition. Well done to Anisia, who was selected as the runner up with her Bee artwork. Both children have won tickets to the Commonwealth Games, held in Birmingham later this month. We were overwhelmed by the number of entries to our ECO competition. We certainly have some very creative and budding artists in our school.

## Word of the Week

Next week our Word of the Week is **Awesome** which will form the basis of our acts of collective worship throughout the week.

**Awesome!**

## Holy Mass

Unfortunately, due to our priests' other commitments, please note there will be no Year Group Mass next week. A Whole School Mass, led by our Year 6s, will take place on the last day of term, Wednesday 27th July at 9.30am. All are welcome to join us.
