School Dinners

Over the last week, there has been a notable change in the weather with temperatures much cooler. Now might be a good time to switch from a packed lunch to school dinners. A reminder that we serve hot meals each day; a copy of the menu is available to view [here](#).

If you think your child may be eligible for a Free School Meal, please [click here](#)

If you would like your child to eat a healthy, varied and freshly-prepared school meal, then please encourage them to have a school dinner. **For children in FS2, Year 1 and Year 2, school meals are completely free of charge. For children in Year 3 to Year 6, the cost is £2.30 each day.** School meals can be paid for easily using your Arbor account.

Reading Book Amnesty

Teachers across school have noticed that we appear to be missing a few of our Guided Reading texts from the Library. Could we ask that you spend just a few minutes to check for school books at home that your child has forgotten to return? It would be great to have a fully-stocked library again by the end of next week. Thanks in advance.

Year 6 Parents – Secondary Applications: Final Reminder

For parents of pupils in Year 6, the time has arrived for you to begin the process of applying for a secondary school place. **It is absolutely essential that all applications are made to your home Local Authority by the national closing date of Monday 31st October, 2021.** Nottinghamshire applications can be made [here](#).

For the overwhelming majority of you who will be applying for a place at All Saints', please note that you must complete a **Supplementary Form** from All Saints' as well as the **Local Authority application form**. Information on admissions to All Saints' can be found here:

<https://www.allsaints.notts.sch.uk/information/admissions/>.

If you are having any difficulties, please speak to Mrs Shivley or Mr Steele who will be only too happy to help. It is important to note that if a late application is made, then this will not be considered until all other applications have been allocated; this means you may not be allocated a place in your preferred choice of school.

Parents' Evening

Please be reminded that we will be holding our first Parents' Evening of the academic year on Tuesday 11th October and Thursday 13th October. Parents' Evening provides the perfect opportunity for you to talk to your child's class teacher and share how they have settled in to their new class and new school year. With all covid restrictions now lifted, **Parents' Evening will return to being held face-to-face in school**; we will also be inviting you to visit your child's classroom to look at their books. Please check the letter that was sent earlier in the week on Class Dojo. It is important that you inform your child's class teacher of your preferred date and time to visit them as soon as possible.

October — the Month of the Holy Rosary

For Catholic around the world, the month of October is designated as the "Month of the Rosary". To mark this, Mrs Shivley invites all children—and their families—to join her in the Spiritual Garden on our school field at the end of each day at 3.35pm. This will be a wonderful opportunity for the community to gather for just five minutes and share a decade of the Rosary. We'll begin this from Monday.

Word of the Week

Next week our Word of the Week is **Rosary** which will form the basis of our acts of collective worship throughout the week.

Holy Mass

Our next celebration of **Holy Mass** is on **Tuesday at 11:00am** for the whole school. Please note that this is a Trust-wide Mass that is being celebrated remotely so there **will be no Mass in church this week**.

White Rose Maths app

Across school from Foundation Stage to Year 6, we follow the White Rose Scheme of Learning for Maths.

White Rose have launched a free Maths app which is designed to be a quick, fun and engaging way to develop children's mathematical fluency. The app is suitable for Key Stage 1 children although children in Key Stage 2 may find it useful as a revision tool. To download the app, search **1 Minute Maths** on the App Store.

Flu Immunisations

The Immunisation Team will be visiting our School on **Wednesday 12th October, 2022**.

Our School Code is **NG141460**.
