

Class Charities 2022 – 23

As a Catholic school, one of our main objectives is to help our children understand the importance of charity. At the beginning of this term, all children were given the opportunity to research and present information to their peers about a charity of their choice. The response was incredible. All classes across school have now democratically adopted a charity to support this academic year.

Many thanks to all the children who took the time to research and present information to their classmates about a charity of their choice — and to their parents for helping out too.

This year's charities we will support are:

Class	Charity	Who does the Family Help?
Nursery	Emily Harris Foundation	The Emily Harris Foundation provides financial support for King's Mill Hospital Neonatal unit staff members, who wish to undertake further training and where the funding is not able to be supported by the NHS. It also provides financial relief, in cases of hardship, for families with babies receiving care on the King's Mill Hospital Neonatal unit.
FS2KW	Little Princess Trust	The Little Princess Trust provides real hair wigs, free of charge, to children and young people who have lost their own hair through cancer treatment and other conditions.
FS2TG	Great Ormond Street/Kidney Care UK	Kidney Care is the UK's leading kidney patient support charity providing practical, financial and emotional support for kidney patients and their families.
Y1RB	RSPCA	The Royal Society for the Prevention of Cruelty to Animals promotes animal welfare and rescue.
Y1CG	Firefighters' Charity	Whether injured, ill or in need of psychological support, the Firefighters' Charity support the everyday heroes of the UK fire community.

Y2RT	Sherwood Forest Foodbank	The Sherwood Forest Foodbank provides three days' nutritionally balanced emergency food and support to local people who are referred to us in crisis. They are part of a nationwide network of foodbanks, supported by The Trussell Trust, working to combat poverty and hunger across the UK.
Y2JY	Mansfield Wildlife Rescue	Mansfield Wildlife Rescue is dedicated to the care and rehabilitation of sick, injured or orphaned wildlife regardless of species or status. Money raised is to fund vet bills, food and medication for the animals cared for until fit and able to be released back into the wild.
Y3ZJ/GM	Anthony Nolan Trust	Anthony Nolan is the charity that makes lifesaving connections between patients in need and incredible strangers ready to donate their stem cells.
Y3AN	Jerry Green Dog Rescue	Jerry Green Dog Rescue exists to provide a safe place for homeless dogs and to seek new loving places for them to live.
Y4DK	RSPCA	The Royal Society for the Prevention of Cruelty to Animals promotes animal welfare and rescue.
Y4NH	Radcliffe Donkey Sanctuary	The Radcliffe Donkey Sanctuary in Lincolnshire is the charity that cares for these beautiful and often mistreated animals.
Y5VD/NC	RSPCA	The Royal Society for the Prevention of Cruelty to Animals promotes animal welfare and rescue.
Y5SC	Lumos	Lumos is an international charity striving for a future where every child is raised in a safe, loving family home rather than in an orphanage or institution where they are often deprived of their basic human rights.

Y6LB	NSPCC	Everything the NSPCC does is to protect children today and prevent abuse tomorrow, to transform society for every childhood.
Y6HG	Thornberry Animal Sanctuary	Thornberry Animal Sanctuary is an animal rescue centre based in South Yorkshire. They take in animals that, through no fault of their own, have no home. The sanctuary then assesses them, takes care of any medical or behavioural needs they may have – they are then listed for adoption so a loving family can take them in as one of their own.
