Well done, Year 6!

This week, Year 6 children have completed their statutory SATs assessment tests. The children's hard work, focus and commitment to their learning has been extremely impressive. Thank you Year 6; you've been brilliant, and thank you to the Year 6 staff team for preparing the children so well for these tests. Both classes have had a wonderful pyjama day today to celebrate!

We continue to keep our Year 2 children in our thoughts and prayers as they continue with their SATs, which are being administered in small groups.

Jubilee Celebrations

During the Half Term break, the nation will mark and celebrate the Queen's Platinum Jubilee. As this is such a special and important event — one which we'll never witness again in our lifetime — we've set aside Wednesday 25th May as a day to celebrate Queen Elizabeth's 70 years of service. We aim to make this day enjoyable and memorable for the children, and to help them understand more about the Queen, her role and what life was like in each decade during her reign. More information will be shared next week.

Year Group Mass

Year 4 will celebrate Mass next week in church. **Parents and parishioners are most welcome to join us.** Mass will begin at 9.30am.

Word of the Week

The Word of the Week for next week is **Witness**, which will form the basis of our acts of collective worship throughout the week.

WITNESS

Year 3 Residential

Well done to our Year 3 children who represented our school so brilliantly this week whilst on their Residential Visit. The children enjoyed a range of activities at King's Mill Reservoir and then at Perlethorpe where they stayed for a night in pods. It's been wonderful hearing the children talk so energetically about their experience. Many thanks to the children for their excellent behaviour and 'have a go' attitude — and to the staff too for planning, organising and accompanying the children on the trip.
