Parents' Evening

Thank you so much to the parents who were able to meet with their child's class teacher this week for a Parents' Evening consultation. If you haven't yet met your class teacher, please make arrangements to do so. Next week, our Office Team will in touch to follow this up with you. In order for your child to achieve their full potential, it's essential that we work together.

If possible, we'd also really appreciate it if you could provide us with any feedback relating to our Parents' Evening consultations. Your responses will help shape our future meetings. Please click here to complete this really short survey.

Reconciliation

We are extremely thankful to Fr. John, Fr. Mark and Fr. Shalbin for providing the opportunity for our Catholic children to receive the Sacrament of Reconciliation this week. Congratulations to those children who received this special Sacrament for the first time on Tuesday. They were very well prepared and incredibly respectful during their time in Church.

Please be reminded that all Catholics can receive the Sacrament of Confession every Saturday at St. Philip's Church between 10.30 and 11.30am.

Big Lent Walk

We just have one more week to go of CAFOD's Big Lent Walk. Well done to all of our children for walking the track each day for the last five weeks. Incredible!

Word of the Week

Our Word of the Week next week is **Sacrifice** which will form the basis of our acts of collective worship throughout the week.

Please be reminded that there is NO SCHOOL MASS next week. Year Group Masses will resume from 25th April.

Come & See Assembly

Very well done to our Year 3 children who shared their RE learning with Parents in their Come & See Assembly on Tuesday. The children presented their learning brilliantly, professing their faith with pride and confidence.
