

Class Charities 2023 – 24

As a Catholic school, one of our main objectives is to help our children understand the importance of charity. At the beginning of this term, all children were given the opportunity to research and present information to their peers about a charity of their choice. The response was incredible. All classes across school have now democratically adopted a charity to support this academic year.

Many thanks to all the children who took the time to research and present information to their classmates about a charity of their choice — and to their parents for helping out too.

This year's charities we will support are:

Class	Charity	Who does the Family Help?
Nursery	World Wildlife Fund (WWF)	The WWF aims to conserve nature and reduce the most pressing threats to the diversity of life on Earth.
FS2KW	National Autistic Society	The National Autistic Society exists to help the 700,000 autistic people in the UK and their families. It runs specialist schools, campaigns for improved rights and trains companies on being more autism-friendly.
FS2NM	Cancer Research UK	Cancer Research UK is the world's leading independent cancer charity dedicated to saving lives through research, influence and information.
Y1JS	MARINELife	MARINELife is a UK-based charity established to coordinate and develop a growing portfolio of global cetacean and seabird research and monitoring projects.
