

Our Jubilee Pledge

Jubilee Year 2025

We are pilgrims of hope.

We walk in solidarity with our sisters and brothers worldwide, sharing challenges and celebrating joys.

We promise to be agents of change, working together for justice, love and peace, locally and globally.

We want to build a fairer world, where every person, and the Earth, can flourish.

As pilgrims of hope, we are on a mission to build a world where:

- We recognise the dignity of every person, loved and created by God.
- We follow the example of Jesus' love and His mission to bring good news 'to the poor'. (Luke 4)
- We work for the common good of all, understanding that our actions impact our local and global family because we are all interconnected.
- We are good stewards of the Earth, knowing that the Earth's gifts are for everyone, not just a privileged few.
- We prepare a path to peace in our world, challenging the root causes of poverty and injustice.
- We speak out for debt relief, to set free those who are burdened by unjust debt.
- We work together with CAFOD to be practical signs of hope and put love into action.

We will do this by...

- Being **stewards** of the Earth by taking care of our school. We will put litter in bins, look after resources and take care of the plants, animals and trees that live on our school site. We will also recycle and not waste energy.
- Helping the **poor** by supporting the Sherwood Forest Foodbank especially at Harvest time and during Lent.
- **Promoting peace** in our thoughts, actions and in what we say. In all that we do, we will always look for peaceful relationships and solutions. We will celebrate and promote the International Day of Peace each September.
- Standing in **solidarity** with our brothers and sisters. Each week during Celebration of the Word, we will pray for those in need or who are suffering; we will sell pre-loved school uniform and we will visit the elderly in a local care home.
- Using kind words and kind actions so that everyone knows they are loved and are special [**human dignity**].
- Using Fairtrade products wherever possible so farmers and producers receive a fair price for their goods [**distributive justice**].
- Inviting everyone to join a pupil voice group so all children have the opportunity to **participate** in making decisions that will affect us all.
- Raising money for CAFOD to help those in need across the world to empower communities so they can work together to make life better [**subsidiarity**].
- Working together for the **common good** by helping others if they are sad or hurt; supporting charity events; praying for those who need it.
