'Keeping Children Safe in Education 2025: contains information on what schools, including academies, should do and sets out the legal duties with which they must comply. This statutory guidance should be read and followed by proprietors of independent schools (including academies, free schools and alternative provision academies) and non-maintained special schools.

In the case of academies, free schools and alternative provision academies, the proprietor will be the academy trust.

The Our Lady of Lourdes Catholic Multi-Academy Trust is the proprietor as defined in Keeping Children Safe in Education 2025 and, as such, is responsible for ensuring that all staff in CMAT academies read either Part one or Annex A (a condensed version of Part one) of Keeping Children Safe in Education 2025 – Statutory Guidance for Schools and Colleges (DfE, September 2025), depending on their role.

This requirement is fulfilled and evidenced through the completion of the online Flick training, which ensures all staff and governors have read, understood, and acknowledged the relevant sections of KCSIE 2025 in accordance with their safeguarding responsibilities.

This legal requirement, together with the Catholic values and principles that underpin the Our Lady of Lourdes Catholic Multi-Academy Trust, means that it is essential for the CMAT to ensure not only compliance at local level, but also to assume strategic responsibility for ensuring that safeguarding practices are robust and effective in protecting the welfare of all children and young people in its care.

Our Lady of Lourdes Catholic Multi-Academy Trust as the proprietor and all our Local Governing Bodies are aware of our obligations under the Human Rights Act 1998, the Equality Act 2010, (including the Public Sector Equality Duty), and our local multi-agency safeguarding arrangements.

Local authorities have overarching statutory responsibility for safeguarding and promoting the welfare of all children and young people in their area. However, safeguarding is everyone's responsibility. Everyone who comes into contact with children and their families has a role to play.

To fulfil this responsibility effectively, all practitioners must adopt a child-centred approach. This means always considering what is in the best interests of the child.

No single practitioner can have a full picture of a child's needs and circumstances. If children and families are to receive the right help at the right time, everyone who comes into contact with them has a role to play in identifying concerns, sharing information, and taking prompt action.

These principles are embedded in our Safeguarding and Child Protection Policy, which underpins a culture of safeguarding in all that we do.

Safeguarding Is:

As defined in KCSIE 2025, safeguarding and promoting the welfare of children means:

- Providing help and support as soon as problems emerge
- Protecting children from maltreatment and abuse—including online
- Preventing impairment of children’s mental and physical development
- Ensuring the provision of safe, effective care
- Taking action to enable all children to have the best outcomes

Safeguarding includes the prevention and response to:

- Child-on-child abuse (including sexual harassment and violence)
- Bullying (including cyber and discriminatory bullying)
- Domestic abuse
- Exploitation (sexual, criminal, online)
- Mental health concerns
- Extremism and radicalisation
- Online safety threats, including risks related to AI technologies

‘Children’ includes everyone under the age of 18.

Safeguarding also encompasses issues such as health and safety, and a range of other issues, for example, arrangements for meeting the medical needs of children by providing first aid, academy security, drugs and substance misuse and positive behaviour. There may also be other safeguarding issues that are specific to the local area or population highlighted within the Safeguarding & Child Protection policy for each academy through Contextual Safeguarding areas of risk.

The Our Lady of Lourdes Catholic Multi-Academy Trust is wholly committed to ensuring that all children and young people are cared for in a safe, nurturing and secure environment in our academies.

To fulfil this commitment, we have robust systems in place for:

- Policy and procedures
- Safe recruitment of staff and volunteers
- CMAT responsibilities
- Training

Policy and Compliance

- Our Safeguarding and Child Protection Policy (2025–26) is aligned with KCSIE 2025 and is updated annually.
- Local Contextual Safeguarding risks are assessed and mitigated for each academy.
- We follow statutory local multi-agency arrangements and referral pathways.
- Safer recruitment and whistleblowing procedures are in place and monitored.
- All staff working directly with children must read and understand **Part One** of KCSIE 2025. Staff not working directly with children must read **Part One or Annex A** (based on role) and complete compliance via Flick training.

Safe recruitment of staff and volunteers:

Safer recruitment is an important part of safeguarding children and is the first step to safeguarding and promoting the welfare of children in education.

The Our Lady of Lourdes Catholic Multi-Academy Trust sees it is vital that there is a culture of safe recruitment and has adopted recruitment procedures that will deter, reject and identify people who might be unsuitable to work with children and young people.

All elements of our Safer Recruitment policy ensure that the recruitment and selection processes outlined:

- meet the requirements of Keeping Children Safe in Education (2025) are robust.
- have relevant vetting and checking procedures.
- include a robust induction.
- provide an ongoing training infrastructure.

The policy outlines the steps that the Our Lady of Lourdes Catholic Multi-Academy Trust will take to ensure those employed in our academies are safe to work with children and young people and its main purpose is:

- to prevent unsuitable people working within our academies
- to attract the best possible candidates to work in our academies.
- to create and maintain a safe workforce.

The Our Lady of Lourdes Catholic Multi-Academy Trust will provide clear guidance, expectations, challenge, and support to all academies to maintain a single central record to provide reassurance that all staff and volunteers are recruited safely.

The Our Lady of Lourdes Catholic Multi-Academy Trust is committed to ensuring full compliance with statutory safeguarding expectations. Failure to implement appropriate safeguarding arrangements carries significant risk to children's welfare and to the Trust's reputation, accountability, and governance standards.

Each school maintains its own safeguarding team and contextual safeguarding plans in partnership with their Local Authority.
