

Appendix 1 Rule Rhyme Lyrics

Number	Lyrics
1	After a single vowel, don't ask for any trouble, z, l, f, s , you all need to double!
2	After a single vowel, the k sound is usually spelt ck . We've got ro ck , sic k , clic k and soc k , ck is how we ro ck !
3	Words don't tend to end with v , so if you hear a v sound just add on an e .
4	We need a k not a c before y, i and e .
5	If a root word ends in y , change it to an i and then add es .
6	If there's a consonant before adding -ed, -er and -est , change the y to an i and you've passed the test!
7	If the root word ends in an -e , with a consonant before it, just add a d .
8	You've got a consonant before a root word ending in e and you want to add an -ing ? Just remember to drop, drop, drop that e , before you add the ending. Just a side note before you take a rest, it's just the same for adding -y, -er and -est !
9	Long vowel before the j sound, we just add ge . Short vowel before the j sound, don't forget to add dge .
10	The j sound is always spelt as a g before y, i and e , but before an o, u and a - it is always spelt as a j .
11	Can you hear the s sound? Spell it as a c , before i, y and e .
12	Let's do it! One syllable, one syllable, ends in a vowel and consonant? Double, double the last letter, then add that suffix, add that suffix!

Number	Lyrics
13	If a word ends in ey, just add an s. If a word ends in ey, just add an s.
14	More than one syllable, ends in a consonant and y? Change the y to an i before -ment, -ness, -ful and -less.
15	If a root word has more than one syllable and ends with a consonant and y , change the y to an i . Change the y to an i .
16	If the root word ends with -le , it changes to -ly . Like twinkle – twinkly, like twinkle – twinkly.
17	If the root word ends with -ic , we add -ally . Like magic – magically, like magic – magically.
18	Inject ends with t . Dictate ends with te . Add the shun sound with a -tion .
19	Expand ends with d . Fuse ends with se . Add the shun sound with a -sion .
20	When do we add the shun sound with an -ssion ? When a word ends in ss or mit . Like impress, admit, impress, admit. When a word ends in ss or mit .
21	If the root word ends in c or cs and you want to make an occupation like optician, musician, optician, musician. Just add -ian , just add -ian , just add -ian
22	-our is changed to -or , wave goodbye to the u . Then add the suffix -ous , that's all you have to do!
23	1,2,3 repeat after me: i before e except after c . We say: i before e except after c .
24	se at the end makes a verb, ce at the end makes a noun: advice - advise, device - devise.
